Dear UUPer

Please click on the link below to read and sign the petition to Secretary of State Hillary Clinton that USLAW is circulating in defense of worker rights to organize unions in Iraq. The 1987 Saddam Hussein law that banned unions in the public sector (80% of the Iraqi economy) *is still in effect*.

USLAW will present the petition in early October , so please sign now and circulate the petition to other UUP members.

We'd all be better off if the U.S. government used its influence to protect worker rights rather than pushing for the privatization of Iraqi oil for the benefit of US oil companies.

in solidarity

Michael
