Dear Department Reps/Delegates,

I thought you might find this interesting and, if not, please delete.

Mike Zweig, UUP Delegate and our former UUP Chapter Vice President for Academics, appeared on PBS's Bill Moyers' Journal this weekend.

If you missed this program on TV, here's a link to the video:
<http://www.pbs.org/moyers/journal/09182009/watch2.html>

An interesting conversation about the crisis facing organized labor, and its relationship to the Obama administration and the broader working class. ..23 minutes well spent.

Michael is also this year's UUP Nina Mitchell Award winner. He will receive the award at the Statewide Delegate Assembly on October 2nd.

Way to go Mike!!!!

Pam
