Remember Worker's Memorial Day Monday April 28th

The AFL-CIO and the Labor movement would like us all to remember workers who have been injured or lost their lives on the job over the past year. They ask for "good jobs, safe jobs, for all" and to "mourn for the dead, but fight for the living". If you want to learn more or want to comment on Health & Safety issues, please contact our **UUP chapter Health & Safety committee (chair Ed O'Connell) @ office 2-6570**. Be safe, the life you save may be mine.

Emergency Travel Assistance around the World
