### Contract Team Presentation at UUP March 5th Membership Meeting

Your UUP Contract Team will be on campus at our membership meeting on Tuesday, March 5th at noon in the SAC Ballroom A.

They will be here to present the tentative contract with New York State & SUNY to the membership and answer

any of your questions. Please RSVP so we have a head count for the lunches. Also visit the UUP statewide Web site: <http://uupinfo.org/negotiations/index.php> for the latest updates. Thanks to the whole contract team

for serving over 2 years negotiating this tentative deal. They spent many a day and night in Albany working on this

and your officers want to thank SBU West Chapter member Jason Torre. After all SUNY campuses are given the contract

presentation, ballots will be mailed out through an independent group to UUP members, (*agency fee payers are not part of the voting group on elections or contracts*).

### Collegues

We are working with the State to develop accurate printed information about all contract provisions. We will provide the following as soon as possible:

- A document that shows the provisions of the old contract with the new provisions inserted and shaded for easy identification
- A Q & A document that answers questions about each contract provision, including accurate information about how members can assess the impact of all monetary items, including on-base salary increases, health benefits changes, and the Deficit Reduction Program, over the course of the contract.

All of these provisions will be thoroughly explained and members will be able to determine how the provisions of this contract will impact them as individuals.

In Union....Phil Smith, Statewide UUP President
