UUP and New York State Proposals for Our next Contract

UUP statewide website has listed the various contract articles and a brief description about potential changes requested by both your Union UUP and the State of New York GOER (governor's office of employee relations). The hotlink is as follows: <http://www.uupinfo.org/contract/proposals.html> John Schmidt our UUP Chapter President serves on the Negotiating team and is meeting with the State's team to discuss the proposals.

Check if you are a UUP member vs Fee -payer status

With the contract team in full swing now, when a tentative contract settlement is reached the team will **send the proposal for a vote to Only Signed -Up UUP members**. If you are not sure if you are a member check your paystub or **call our chapter office @ 2-6570** to make sure your voice will count on this critical issue of contract ratification.

Sign up for NYSUT Member Assistance Program & enter drawing for a free digital camera

MAP - Member Assistance Program In efforts to expand communications with members, NYSUT Member Benefits Trust is introducing MAP, the Member Assistance Program. Just as maps provide direction, MAP team members will assist Member Benefits and vice versa. Through this e-mail-based program:

- You'll be among the first to hear about new, endorsed programs and program updates.
- You'll receive special offers.
- You'll help us test out potential new programs and give us your feedback.
- We'll ask for your opinions on new programs under consideration.

Your opinions matter! You can help us shape future programs and services exclusively available to you and your colleagues. Help make a difference!

We will not share your e-mail address with outside interests other than endorsed Member Benefits program providers, and only under controlled circumstances. We will oversee the frequency of e-mail communications – You have our word we will not bombard you with e-mails!

And if you **join MAP by July 2**, you will be entered into a drawing to win one of two Kodak Easy-Share digital cameras. Use this link to take you to the MAP sign-up page.
