Subject Action Alert - Support Pension Equity - ORP Bill
Special Happy PayDay 7/18/07

Sisters and Brothers:

Both the Assembly and Senate passed the ORP bill at the end of the legislative session. It will probably reach the Governor's desk in the next few days.

To show the Governor the depth of our support for the bill, we just put a letter to him on our website. We need as many UUPers as possible to send the letter in the next few weeks.

How to send:

1. Go to the UUP website <http://www.uupinfo.org> and look on the right side of the page under "Call to Action." **Click on the blue link** to the pension equity (ORP) letter.
2. Once you see the letter, **click on "Send Faxes"** (top right).
3. **Then click on "Look up Representatives"** (the letter automatically goes to the Governor).
4. Enter your personal info and then click on **"Send Faxes"** at the bottom of the page.

In solidarity,

Bill Scheuerman
UUP Statewide President
