Subject : Update on UUP salary increases.....

Folks....

Just moments ago, I confirmed with SUNY and GOER that all aspects of the UUP pay increases are moving forward. SUNY has appraised their HR Directors of this information.

Here are the details:

1. The retroactive 3% increase (back to 7/2 or 9/1 of '07) will be paid in the Pay Period closest to July 1. For 26-pay period employees this will be paid on July 23rd. For 21-pay period employees this will be paid on Sept. 17th.
2. The 3% salary increase effective July 2, '08 will be paid on July 23rd (for 26-pay employees) or on Sept. 17th. (for 21-pay employees).
3. Employees eligible for the location stipend will see an increase in their check of July 23rd (for 26-pay employees) or on Sept. 17th. (for 21-pay employees).
4. Employees eligible for Inconvenience Pay will see an increase in their check of July 23rd (for 26-pay employees) or on Sept. 17th. (for 21-pay employees).
5. Employees who received Continuing or Permanent Appointment (or are in the second of a 5-year term appointment) since July 2, 2007 will receive a \$500 increase. Payments will appear as above for 26- or 21-pay employees.
6. The \$500 payment to Part-time employees eligible for the Contractual Service Award will be made on a date determined on a campus-by-campus basis.

The pay changes described above are valid for the majority of employees where Payroll changes can be

effected at the Office of the State Comptroller. Some changes for certain employees may need to be done manually at the local campus.
