Looking for Suggestions for Chapter's 2010 - 2011 Budget

Your chapter officers and chairs are looking for suggestions, ideas for submission in our Chapter's next UUP budget.

It can be new committees, new activities and/or programs. We want to hear from you, the membership, as we put together the budget submission this Winter which will be presented for your review and vote at the General Membership meeting this Spring.

What are some programs you would like to see UUP do with the Chapter funds? Please e-mail us at uup@notes.cc.sunysb.edu

NYSUT Defensive Driving Course Soon to be On-Line

You may or may not be aware that NYSUT Member Benefits offers Defensive Driving Programs through the National Safety Council.

We are pleased to announce that NYSUT members and their family members will soon be able to take the course on-line at a special negotiated price of **\$25.25** per person (the National Safety Council normally charges \$44.95 for the on-line course).

Keep checking our Web site, www.memberbenefits.nysut.org, for details about this new program. Dates will be posted as soon as they become available for registration.

Women's Concerns Committee Report

The first Women's Concerns committee meeting was held on November 6th. The Committee is interested in hearing what

issues you are faced with. If you would like to work together to make a difference on issues that women are faced with

that impact all of us – please get involved. Together we can make a difference. If you are interested or have suggestions on what issues we should focus on, please contact Diane Bello, Chair, Women's Concerns Committee at dbello@notes.cc.sunysb.edu .
THANK YOU for taking the time to make a difference.
