The SUNY Board of Trustees acts on Early Retirement Incentive

SBU's Human Resources is working on details of the various Early Retirement Incentive packages, and will be sending information out soon.

UUP is looking to have seminars on the various UUP retirement benefits such as dental and vision in the late summer.

More information will be posted as it becomes available.

NYSUT Member Benefits endorsed Legal Service Plan

Did you know that the Power of Attorney form in New York has substantially changed in recent months?

Did you know that you can get

legal assistance if you're struggling with your mortgage payments? If you rent, do you know about your rights and recourse available for

enforcing those rights? Did you know it's illegal for a collection agency to threaten to seize your Social Security benefits, and they cannot call

you at work if you advise them not to do so?

Did you know if a disabled child receives an inheritance outright under a Will, the inheritance could disqualify the disabled child from

public benefits he or she may be receiving? Did you know you may be able to get assistance if your stock market losses were caused

by stockbroker misconduct?

If you are a member of the NYSUT Member Benefits Trust-endorsed Legal Service Plan provided through Feldman, Kramer & Monaco,

P.C., then you would know all of this and more just by reading the Preventive Law Guide, the plan's consumer-oriented newsletter

sent three times a year to plan participants.

For the affordable price of \$85 a year (\$55 for retiree members), you can join the Legal Service Plan and receive unlimited toll-free access to attorneys who can answer your questions, write letters on your behalf, or meet with you in person at discounted hourly rates. You're also entitled to a simple will, health care proxy, living will and durable power of attorney at no extra cost. And the plan's annual fee is reduced if you pay using payroll or pension deductions.
