## Help Haiti with Coffee Bean Purchases

It is easy to do just visit Deans Beans web site, <http://www.deansbeans.com/coffee/HAITI.html>, and place your order. You can continue to

help the people in Haiti by making this a regular purchase throughout the year. Your purchase will support their co-operative in Haiti and

provide funds for community projects which are democratically voted on by members of the cooperative. Some of these projects include

building schools, building bridges, providing clean drinking water, building health clinics. So your purchase of a pound (a real pound, 16 oz.)

of coffee will go a long way. Thank you from Ed Quinn Statewide Membership Development Officer & SBU Chapter Member
