Happy PayDay celebrates the end of it's 4th Year of Service to our Members

We are ready with the next HPD edition to start our 5th Year of providing up to date information on our many Union benefits and events you our members can participate in. Many thanks to those who review, edit and send out this informative guide to what's happening to complement our award winning "Insight" chapter newsletter. If you have any suggestions, we your chapter officers would appreciate them and stay tuned for more chapter information every 2 weeks (or sooner if the situation warrants it). Thanks, your HPD Editor Charlie.

The Insight Newsletter is now On-Line

In an effort to help the environment and save money, our chapter newsletter, *Insight*, can be viewed at <http://uupsbu10.wordpress.com/>.

The Individual Development Awards Update

The IDA committee was formed in this joint Labor/Management benefit UUP has negotiated and the team

of 8 reviewers have done their job and here are the statistical results sent to Human Resources for their official notification to our members of their award and the procedure to obtain the funds. The period for this award was July 1st, 2009 thru June 30th, 2010 and all requests were adjusted to a maximum \$1,000 as per the rules prior to review. There were 15 part time members who will split a \$12,991 award (will receive approx. 91.9% of their adjusted request) while the 134 full time members will split \$73,618 award (will receive approx. 65.3% of their adjusted request). The total for our chapter allocation is \$86,609 which includes a roll over from last year for the 149 approved members. I served as chair of the IDA committee and want to thank fellow UUP'ers Dan Kinney, Linda Sandberg and Maureen Wozniak and for our University Managers Elizabeth Brady, Leticia Dunn, Neil Farrell and Diane Thide who served on the committee along with our Chapter Assistant Corinne Burns who processed all the paperwork & did the follow-ups and Artie Shertzer our president for his direction and streamlining the process.

RSVP No later than three days prior to an event for lunch orders.
