NYSUT discounts on Six Flags locations in NJ & Lake George

If your summer plans include visiting theme parks, remember that NYSUT Member Benefits offers discounts to these Six Flags locations: Great Adventure/Wild Safari/Hurricane Harbor in Jackson, NJ and Great Escape in Lake George, NY.

New this season: Not only can you purchase a season pass or daily tickets online, now you can also purchase meal vouchers and parking in advance. Another new online option is purchasing a "Big Six Pass," which allows up to six visits to the park between the date purchased and the end of the season. Details can be found by linking from the Member Benefits' Web site <http://tinyurl.com/25ne5p>.

You're not just limited to these two locations, however. You can get discounted admissions to other Six Flags parks, theme parks, water parks, zoos, aquariums and more through the Member Benefits-endorsed Working Advantage program. Broadway shows, special events and a variety of shopping partners are also available. Note that NYSUT members must provide a unique ID number to receive the NYSUT Member Benefits discount. Our site will direct you to getting this number online <http://tinyurl.com/l2wpph>, or you can call us at 800-626-8101.

RSVP No later than three days prior to an event to have a Head Count! Thanks, UUP Office # is 632-6570 @ 104 Old Chemistry Bldg. zip - 3475
