NYS Flex Spending Account (FSA) 2010 Enrollment Period

The 2010 enrollment campaign for the New York State Flex Spending Account (FSA) program will run from

September 21, 2009 to November 16, 2009. The FSA program is comprised of two important benefits for employees - the Health Care Spending Account (**HCSAccount**) and the Dependent Care Advantage Account (**DCAAccount**).

Employees may contribute **up to \$4,000 per year** on a pre-tax basis through payroll deduction to an **HCSAccount** for eligible health care expenses

that are not reimbursed by insurance, and **up to \$5,000 per year** to a **DCAAccount** for elder care, disabled dependent care, or child care expenses.

The **FSA** contributions are deducted biweekly from the employee's gross pay and deposited to the appropriate account. Any money directed to a

FSA will reduce the employee's reportable federal, state, and social security taxes.

After eligible services have been rendered, the employee submits a claim form for reimbursement.

Employees are allowed to enroll in either or both accounts. Paperless enrollment makes it easy for employees to apply on-line or through a toll-free number.

If you have any questions regarding the 2010 open enrollment, please call the New York State Flex Spending Account (**FSA**) at **1-800-358-7202**

or go on line www.flexspend.state.ny.us/
