NYSUT Membership Benefits discount programs

We want to bring your attention to a slight change in our Dell discount program. We know that many NYSUT members have enjoyed the Dell discount program over the years.

We've recently moved the Dell discount program to our Working Advantage program. Why? Working Advantage offers the same Dell discount plan in addition to its many other offerings. To help make a one-stop shopping experience for members, we've streamlined the process while giving you the opportunity to see what specials and deals Working Advantage offers. And you can still receive the same Dell discounts as before.

For more information about the Dell discount program through Working Advantage, click on the following link: http://www.nysut.org/cps/rde/xchg/nysut/hs.xsl/3455_3070.htm

Also remember our other discount shopping options through Motivano and Buyer's Edge. Motivano: http://www.nysut.org/cps/rde/xchg/nysut/hs.xsl/3455_14146.htm

Buyer's Edge Inc.: http://www.nysut.org/cps/rde/xchg/nysut/hs.xsl/3455_3057.htm
