UUP Professional Survey

Please distribute this to your professionals from our Statewide UUP Vice President for Professionals. I would like to compile this information for the purposes of educating others about the important work professionals do in Higher Education. This will help UUP in showing how Professionals every day help our Students and Patients at Stony Brook.

To All UUP Stony Brook Professionals:

Please answer the following, and send your responses to jmarino@uupmail.org.

1. Please describe your position at SUNY. (include your title and campus).

e.g.. I am a _____ at SUNY Stony Brook in the _____ department and I am responsible for _____

2. How do you help students(or patients)?

e.g. I help students/patients to _____ OR I help students/patients by _____

3. Can you share a story or example to illustrate how you have helped a particular student/patient (or group of students/patients)?

4. What impact would it have on student success/patient care if you were not there?
