Pet Food Drive July on Campus

More and more families are sharing what little food they have to keep their beloved pets or heartbreakingly giving up their pets to shelters (see When Pets Go Hungry and Pet Food Drive on licares.org). Join the Stony Brook University UUP Community Services Committee during the month of July to help feed these beloved members of our families. Donations will go to L.I. Cares for distribution throughout their member agencies.

Anyone interested in collecting pet food in their department to donate, please e-mail: Nancy.Gaugler@stonybrook.edu.

Anyone interested in donating can see the list of volunteer contacts on uupsbu.org. Together we can make a difference!

Brought to you by the UUP Community Services Committee.
