## UUP Calendar for Jan. 2013

No Scheduled Events Planned for January!

### REMINDER UUP Chapter Election Nominations Due Feb. 6th

You should have received at home the invite to run as a Union delegate, chapter officer and/or affiliate (AFT, NYSUT) delegate to their conventions. The dates and cities for these national meetings are listed on the forms. The information, rules and nomination forms were included in your mailing. If you did not receive or have questions please call your UUP office at 2-6570. The deadline for the nomination forms being received in Albany is 5pm Weds. February 6<sup>th</sup>, 2013.

### NYSUT Propane Buying Discount

**Are you getting the most from your heating source?** As a member of our MAP Alert program, you are always in the know about new programs and services that could benefit you and your family. And, if you are among the millions of Americans that use propane each year (or are considering this versatile heating source), it pays to get the facts about how to get the most out of your propane dollar this winter. Check out the following tips from one of our newest program providers, **Propane USA**:

- **Purchase your own tank** -- Propane tanks aren't cheap to buy or install, but they can be worth every penny. By purchasing your own tank, you won't have to pay thousands of dollars in leasing fees every year, and you won't be locked in to one supplier.
- **Make sure to do your homework** -- Whether you own your tank or not, it pays to shop around. There can be enormous price differences from one dealer to the next, so check on prices and call around to see if you're getting the best deal.
- **Challenge exorbitant fees** -- Many propane companies charge a laundry list of fees to their customers, including tank rental, delivery fees, low usage fees, and more. Don't pay for fees that are unnecessary!

Why not learn more about **Propane USA** to see if your family could benefit from this heating source? **Propane USA** negotiates lower prices on propane from top-rated local dealers and eliminates fees. In addition, there are no tank rental, delivery or environmental compliance fees.

**Best of all, NYSUT members receive \$50 of free propane and a \$100 gift certificate good towards the purchase of your own propane tank to save even more!**

Learn more about **Propane USA** by calling toll-free [888-767-9185](tel:888-767-9185) or visiting [propaneusa.info/nysut](http://propaneusa.info/nysut).

\*RSVP\* **No later than three days prior to an event** for lunch orders.
