Subject HELP! Fax The Gov

Sisters and Brothers:

The struggle continues. We need your help. A fax or letter a day will keep the privateers away! Please help.

We continue to fight the Berger Commission recommendations for Upstate Medical University in Syracuse. This week we are running a new hospital TV ad in Albany and Syracuse. Its message is simple: keep Upstate part of the SUNY system. You can see the ad on our website (www.uupinfo.org - "Click here to see UUP's new hospital ad, which begins airing in Syracuse and Albany").

We also need faxes and phone calls to the Governor and legislators. To fax the Governor, go to the UUP website and click on the link: "Click Here to Fax the Governor and tell him you oppose SUNY hospital privatization." Or you can click on this link: http://www.nysut.org/cps/rde/xchg/nysut/hs.xsl/contactelectedofficials_6757.htm.

You may also leave a phone message by calling: 1-877-255-9417.

We need every member in this fight. Please circulate this message. Tell members the future of Upstate medical is at risk.

In solidarity,

Bill Scheuerman
UUP Statewide President
