NYSUT request for members to serve on 9 Subject Area committees

UUP statewide Pres. Phil Smith has asked that this request be passed along. NYSUT is looking for higher ed members to serve on committees (to start in Sept. usually meeting twice a year) to discuss issues of that committees specific subject matter for grades K-16. The subjects are:

The Arts: Dance, Theatre & Visual Arts, Career & Technical Ed (incl Technology Ed),

Elementary Education, English Language Arts,

Health, Physical Ed & Family/Consumer Services, Languages other than English,

Mathematics, Science and Social Studies.

The UUP member would provide a higher ed perspective (such as what students are lacking in that subject when they come to SUNY). If you are interested **call UUP central @ 1-800-342-4206.**
