

2006 UNIVERSITY SENATE ELECTION RESULTS

Below are the results of the 2006 University Senate Elections. Despite much effort, and despite the activity of the Senate and its Committees, it has proven impossible to fill positions for all vacant University Senate Standing Committee positions and At-Large Senators.

If you feel that you would like to serve where there is a vacancy (see list below-vacancies will be in red), please contact the Senate Office by email (ltheobalt@notes.cc.sunysb.edu) or phone 2-7166. For more information on the committees and their charge, please go to <http://naples.cc.sunysb.edu/Admin/usenate.nsf> and click on Standing Committees.

Senator and Committee terms are generally three years, and start on the first day of the Fall Semester. The current membership of all Senate committees is shown on the Senate web page under Standing Committees.

The results for the 2006 Arts & Sciences Senate will be posted on the A&S Senate website within the next few weeks.
