### SPOTLIGHT ON VICTOR:

Victor has been **nominated** by Allison Clough to receive a **Campus Life Award** for his role as Advisor to the Library Club. This nomination is specifically for the Most Outstanding Advisor Award, which is given to a selected faculty or staff member who serves as an advisor, is involved and available for students at all times, offers knowledge and experience to the organization, and provides assistance and support on an on-going basis.

Held annually, the Campus Life Awards program recognizes Stony Brook's student leaders, student organizations, advisors to student groups, and faculty/teaching staff for excellence in leadership and campus involvement.

ALTHOUGH VICTOR WAS NOT SELECTED WE ARE PROUD OF THE FACT THAT HE WAS NOMINATED. There's always another chance next year!
