LIBRARY FORUM:

Godlind Johnson will be giving a talk on her efforts to provide relief to New Orleans' hurricane victims. The program is scheduled for **June 27, noon to 1:00 pm** and it will be held in the large conference room (in case of a large response, Javits Room will be used). Please reserve the date on your calendars. Bring your lunches along - perhaps there will be a cajun dessert.

LOOKING AHEAD:

Perhaps you have met or will meet with a group or team to discuss new goals and objectives. On **Tuesday, August 8**, two staff meetings will be held to review these. The meetings will be held in Javits Room at **10:00 - noon and again at 2:30 - 4:30 pm**. Let Maryanne know which of the meetings you are attending.

DIRECTORY INFORMATION:

The Faculty and Staff Directory 2006-2007 is being prepared for publication. Review the attached page(s) of the "Office Listings" section from the 2005-2006 Directory and **let Maryanne know if changes need to be made to your department area as it is listed . . .** I added Karen Kostner to Computer Science. **[PLEASE NOTE: You can make changes to your individual listing that appears AFTER the "Office Listings" using the SOLAR System at any time. The Department of Communications does not update these pages. MAKE SURE YOUR ZIP IS CORRECT - if your office is not in Director's Office it can not be 3300! Questions on this should be directed to Human Resource Services.]**
