Continuing Education Programs, January - June 2007

March 7

MLA (Medical Library Association) Webcast Survival of the Fittest: Strategies to prove your library's value

Details to follow on the LILRC website:
www.lilrc.org

March 21

Design Library Space

Speakers Panel:

Kenneth Weil, Director, South Huntington Public Library

Joe Latini, Asst. Director, South Huntington Public Library

Helen M. Crosson, Director, Cold Spring Harbor Library

Genellen McGrath, Director, Gold Coast Public Library

South Huntington Public Library, 9:30 a.m. – 12:30 p.m.

Directors from three newly built libraries will provide practical tips on library space design and how to integrate traditional library functions and "nonlibrary" functions within the same physical structure.

\$10 members; \$20 non-members

April 26

5th Symposium on Digitization, "Digital Preservation"

South Huntington Public Library, 9:30 a.m. – 3:30 p.m.

\$35 members; \$70 non-members

Details to follow on the LILRC website: www.lilrc.org

May 3

Long Island Library Conference

Register at

<http://www.suffolk.lib.ny.us/lilc/registration.htm>

Health, History, and Archives

Presenter: Nancy Tones, Professor of History, Stony Brook University

The program will focus on pharmaceutical advertising and the role of history and archives in consumer health. Sponsored by the LILRC Health Services Committee and the LILRC Documentary Heritage Program Advisory Committee.

May 3

Long Island Library Conference (CONT'D)

Access to Government – Does FOIA Work?

Presenters: Robert J. Freeman, Exec. Director, NYS Committee on Open Government & Kevin McCoy, College Associate Dean of Libraries; Suffolk County Community College

What does the government make available? Speakers will discuss open government and government suppression at federal, state, and local levels. Sponsored by the LILRC Committee on Government Information.

May 9

Developing Digital Projects

Presenter: Tom Claeson, PALINET

Sachem Public Library, 9:30 a.m. – 3:30 p.m.

This workshop covers digital collection project planning; process development and implementation; media preparation and collection specifications; basic metadata issues; collection management and maintenance.

\$30 members; \$60 non-members

May 10

Grant Writing for Digitization and Preservation Projects

Presenter: Tom Claeson, PALINET

Sachem Public Library, 9:30 a.m. – 3:30 p.m.

This workshop focuses on preparing for and writing grants for digitization and/or preservation projects. Since most digitization and preservation grants are funded through the National Endowment for the Humanities (NEH), the Institute of Museum and Library Services (IMLS), and the National Historical Publications and Records Commission (NHPRC), the session is based upon those particular granting entities' requirements. Developing proposals for state, local and foundation funding sources will also be addressed. The workshop includes writing and reviewing those elements.

\$30 members; \$60 non-members
