**STAFF BARBEQUE:**

On June 8, the Libraries were a little quieter, as staff trekked to the University Cafe for the Annual Barbeque. The red checked tablecloths brightened up the rather dark day. About 45 staff enjoyed traditional picnic foods - hamburgers hotdogs, potato salad, macaroni salad, and cookies and watermelon. The stir fried eggplant was a nice treat. The coffee was super-sized and some staff ordered wine or beer. All those who attended received an insulated pouch - just the right size for transporting homemade lunch during the hot summer months! Thanks again to our Social Team for creating an opportunity to get together and relax. Here are a few photos; if you'd like to see more stop by at Maryanne's desk.

**THE SCREEN PORCH:**

This is the Library Blog - a means to catch up on what's new at the libraries. It is attached to our homepage in much the same way that a real screen porch would be attached to a house! You may recall days of stopping to sit on a porch and gab about what was going on in your life. Try out The Screen Porch and you may feel right at home with the library happenings!

If you have any news, send it to Aimee (general) or Kristen (events). Please spell check and edit any material.
