WE'VE REACHED A MILESTONE IN OUR BULLETINS - #1500 !!

ROAD WORK NOTICE:

Duration:
06/23/05 09:00AM to 08/15/05 05:00PM

Reason for Shutdown:

Traffic patterns entering and leaving the campus at the main entrance will be changed starting June 23 at 9 am to allow for the continued work on the roadways. Signs directing traffic to these new patterns will be posted. **The northern entry road has been temporarily widened and will be two way traffic. The southern exit roadway will be closed to allow for construction.** There will be a crossover taking you back on the exit road prior to the traffic signal at Nichols Road. If you are entering the campus from Nichols Road please use alternate entry points. Please use caution and maintain legal speed limits. Expect some delays as we accustom ourselves to these new temporary patterns.

For more information, please see the Service Interruption Notice System (SINS) on the web at <http://www.asa.stonybrook.edu/outages>

TIME TO RENEW TYPEWRITER CONTRACT:

Attached is the list of the typewriters on contract. **If you are the contact person please let Maryanne know BY JUNE 24TH if you wish to continue the contract into fiscal year 2005-2006.** Thank you!
