There is a CD with photos from the campus letter unveiling at the Wang Center on Oct. 11, 2006. If you'd like to borrow this CD, or any others that Keith has burned, they can be signed out at Maryanne's desk.

HABITAT FOR HUMANITY:

Last Saturday, Elba and Hanne spent about six hours nailing sheetrock. This is a big deal because wherever there are nails there needs to be spackling. Nails need to be kept in line and put only where the studs are located. They both had a chance to get to know the new homeowner, Wendy Rose. Wendy is looking for some furnishings for the extra space acquired. Here is a photo taken during a brief break in the building at Bellport.

ENTERPRISE RENT-A-CAR:

If circumstances create a need to rent (car servicing, auto accident, moving a large peice of furniture, picking up/dropping off catering supplies, traveling with a large group to an off campus conference) just go to E-0304 in Melville Library. Arrangements can be made there for business and personal use. Vans and 4 x 4's are available. Stony Brook has a corporate contract with Enterprise.

Calendars should be ordered through Joel (MAILROOM) BEFORE THE END OF OCTOBER. Joel would like to place orders by areas so that distribution is more efficient. So we will give this a try.
