Several staff will be reporting on trips from July - November!

Bring your lunch and join library staff, listen while they share their experiences/readings, then ask questions, discuss ideas and perhaps suggest applications to our library. Members of LSC will be attending to give introductions and keep things on track within the time frame of 1 1/2 hours. Hot water for cocoa or tea + cookies provided.

It would be appreciated if you let Maryanne know if you are attending a few days before the forums !
