LIBRARY FORUM:

I [Jennifer Adams] will give an overview of Second Life, it's history, economics, innovations, corporate interests and educational possibilities. We will look at some campus facilities and some Second Life library access terminals. I [Jennifer] will discuss pros and cons of using Second Life and speculate into where all this virtual technology is taking us.

This forum will be held in Javits Room, noon - 1:00. Try to attend and enjoy your lunch at the same time. Hope to see you there! *Let Victor know if you plan to attend .*

MESSAGE FROM KRYSTYNA:

My words of gratitude for all the warm words and smiles I received during my years in Melville. I want to thank everybody for active or silent help. Will keep you all in my heart,

Krystyna
