GRADUATION:
Office)

(Request from George Meyer, Ass't VP President's

We are expecting a total attendance of approximately **ten thousand** people at the May 17th graduation. As you can imagine, this means we need more of everything - programs, ponchos in case of rain (12,000), food, and most of all -- volunteers. The Office of Conferences and special events depends on people like us to be generous with our time and to volunteer for tasks such as ushering the guests, and distributing the free lunches at the festival immediately following the commencement outside the stadium.

Depending on the nature of the volunteer duties, the time frame might be as little as two hours (12- 2 p.m. if just distributing lunches), or as much as four to five hours (9am - 2 pm if helping with the ceremony as well as the lunches) on commencement day, Friday, May 17.

May I ask that you consider contacting Arlene Skala at ex . 2-6320 to volunteer for this **worthwhile activity**. There's also a volunteer thank you lunch a few weeks after the ceremony to which you will be invited. Thanks in advance for helping with this truly University-wide exciting event.
