RESPONSE TO EARTH DAY - CAMPUS PRIDE PATROL:

As every day is Earth Day . . . a suggestion given to decrease waste is to reuse cups - that is **put to use those red mugs we all received** at a staff party. They are good for all beverages, not just coffee (just rinse well). By doing this we would not need paper/plastic cup at the water coolers in all our library areas. Also, when you use the red SUNY mugs you receive a discount.
