SOCIAL EVENTS TEAM:

It's always the money!!!

Unfortunately, the coffer has run dry for a while. The Social Events Team will not be able to host our annual Summer Luncheon this June. We are hoping to be able to have a smaller, less elaborate event toward the end of the summer. Until then, we will still host the self-supporting, planned showers and maybe have some events that we will all contribute money or food. We'll be in touch... (Jeanne Horn)

Thank you to Jeanne and the team for providing the decor and food at Gisele's Wedding Party. Judging from how long most of us stayed we really had a nice time chatting and celebrating.

Dear Colleague,

What a lovely way to spend a sunny and cloudy Monday morning - in the company of team members and eating breakfast. Dan and I are very appreciative of the Henry's gift card, Radio Shack card, and the card which lists all those who made yesterday's celebration possible. Your good wishes are inspiring and your kindness will always be remembered!

The note was difficult to scan due to the blue writing so here is the text -

Dear Colleagues,

May 25, 2004

What a lovely way to spend a dreary and cloudy Monday morning in the company of such warm and caring hearts. Dan and I are very appreciative of the Macy's gift card, Pindar champagne, cake and the card which lists all those who made yesterday's celebration possible. Your good wishes are inspiring and your kindness will always be treasured.

Thank you and Bless You All! Love, Gisele & Dan
