SUNYLA PHOTOS:

Here are a few of the photos from this conference hosted by Stony Brook. Along with Colleen Kenefick of the HSC Library, Melville Library staff put effort into the planning - among those were Susan Werner, Liz Geoghegan, Dan Kinney, and Min Lu.

CHEMISTRY LIBRARY HOURS:

Due to carpet installation, the Chemistry Library will be closing at 5:00 pm on July 30 and will remain closed through Monday, August 4th (perhaps longer).

FAREWELL TO APRIL:

April's last day is July 30th. For those of you who wish to give farewell messages you are welcome to stop by the reference desk on July 30 between 2:00 and 3:00 pm.

VOLUNTEERS NEEDED TO REPRESENT THE LIBRARY :

Two campus events are being held during August:

August 21st New Grad Student Orientation held in the lobby of Wang Center, 12:30 - 2:00 pm
August 26th RA (Resident Assistant) Resource Fair held in Benedict Atrium, 4:30 - 5:30 pm

The library Publication and Publicity team is extending an opportunity to our staff to volunteer to assist members of the team at either of these events. We will have a table with a display board and information to hand out. There will be some promotional items (post-its and clips with the library web address) that can be given to students attending. Highly important to a volunteer's success at these events is a willingness to answer questions and provide helpful information if requested. Let Paul Wiener know by

August 11th if you are interested.
