HABITAT FOR HUMANITY:

I attended the campaign reception held on Thursday, April 11, 2002. Fred Preston, campus chair of this event, reported that the campus (HCS/Hospital and West Campus) raised **\$58,000**. This was well over the \$40,000 that was the campus goal! The \$18,000 will be put toward another home sponsored by Stony Brook next year. The family which was chosen currently live in Bellport with the wife's sister. The husband and wife have twin one year olds and are thrilled to have "home of their own". If you choose to work on the site in North Bellport in October 2002 you will meet them. More information will be provided in the future concerning the sign up for the actual dates of construction.
