STUDENT ASSISTANT IN CIRCULATION TO RECEIVE CERTIFICATE :

Sara Quimby, a Student Assistant in Main Circulation, is this year's recipient of the Undergraduate Achievement Award, in the category of Academic Excellence. She was nominated by Kathleen Horan, and will receive a certificate of her achievement at an awards ceremony on April 15th. Congratulations, Sara!

NEWS FROM PERSONNEL:

Kathleen Horan is the recipient of a \$10,000 scholarship to study indexing at St. John's University, where she is pursuing an MLS. As part of a community service effort with St. John's, she recently spent a day doing "marathon cataloging" at Sacred Heart School in Manhattan, which was preparing for a retrospective conversion.

GREAT GOING + GOOD LUCK IN YOUR STUDIES KATHLEEN!

Kristen Nyitray, along with Floris Cash of Africana Studies, recently were joint recipients of \$500. This award was given by the Committee to Celebrate Diversity to acknowledge the excellence of the program "Keep on Keepin' On: Music from the Civil Rights Movement". Those of us who were fortunate to attend this program in February agree that it was done well! The monies can be used towards expenses for a future performer or speaker and/or the publicity associated with a diversity program.

CONGRATULATIONS KRISTEN!
