

## REQUEST FOR RECIPES

The Harvest of all Nations really brought out the best in our staff cooking talents.

We'd like to duplicate what we tasted using the same ingredients, BUT if the measurements are off so is the flavor.

The recipes would be wonderful to try in our homes during the upcoming holidays and winter months when our appetites grow bigger.

So, please send the recipe for the dish you made to either Hanne or Pam.  
A Word version is best. DUE DATE: DECEMBER 1ST Thank you all!!
