2009 FACULTY STAFF CAMPAIGN - reminder:

There is an opportunity to attend a lunch time presentation about the campus campaign . It is to be given in the Director's Office large conference room on Feb . 3 and Feb. 11 from noon - 12:30 pm. During this brief presentation Rick Guarino of Advancement will share some ideas to help assist in our giving to Stony Brook.

Let Marianne know if you are planning to attend so that the large conference room doesn 't overflow.
Thanks.
