

LIBRARY SERVICES COMMITTEE

Minutes for Apr. 13, 2004

In attendance: John Andrus, Meredith Bouchard, Linda Crawford, Godlind Johnson, Jason Torre, Maryanne Vigneaux

MIND AND SPIRITS:

Plans are underway to have a program to include Donna Sammis and Dan Kinney at a cabaret-like program. Donna has expressed an interest in performing with an accordion accompaniment and Dan will play keyboard. This event would be held at University Café during a mid afternoon time slot. We will need to confirm a date with the Café.

CAMPUS-WIDE EVENT:

Godlind reported that Nathan has been in contact with David Goodman, who will give a presentation to the campus science libraries on scholarly communications. This event will take place in the Javits Room in May 2004.

WORKSHOPS:

Maryanne is going to speak to a staff member at HSC about coming to give a presentation on ergonomics; the target month is June 2004.

We will consider holding a workshop on the process of getting written material published. This is a means to encourage professional development (Faculty + Professional Addendums).

BROWN BAG:

Godlind made a suggestion to try journal discussions at Brown Bag. Prior to the meeting a specific article could be selected on library issues. That way those interested would have time to read the article before to the Brown Bag. The Director's Office would provide the coffee/tea as beverage to go with lunches.

Adjourn at 3:00 pm. **NEXT MEETING:** May 11, 2:00 pm, University Café (Student Union). The committee will meet outside the Music Library and walk over as a group. We will extend an invitation to Dan and Donna to join the committee at this meeting.
