To All Faculty and Staff:

Dear Colleagues,

I am writing to apprise you of a leadership change in the Stony Brook University Libraries. Christian Filstrup has decided to step down as Director of Libraries and Dean of Library Services after serving in this position for the past nine years. I am grateful for Chris's leadership of the library, and for his dedicated work on behalf of Stony Brook University and the State University of New York.

I am pleased to announce that Andrew White, who we have been fortunate to have as Director of our Health Sciences Library, has agreed to serve as Interim Director of Libraries and Dean of Library Services, effective December 1, 2009. Andrew came to Stony Brook University from serving as an Associate Dean at Adelphi University Libraries. Before his tenure at Adelphi he held a variety of positions in Stony Brook University libraries.

Please join me in congratulating Andrew on his new position.

Best,

Eric
