## Join Us for Our 30th Celebration

Our 30th birthday celebration and Alumni Reunions are Sunday, May 1, and you're invited! We're giving it our all and celebrating 30 years of quality education.

Our extravaganza will include entertainment; exhibits reflecting Stony Brook's past, present, and future; two dedication ceremonies; and a special reception for the Class of '63, marking its 25th reunion.

The fun and excitement begin at 10 a.m. in the lobby of the Administration Building. You'll mix and mingle, greet old friends, and get an overview of the campus while you sip coffee and nosh on pastries.

At 11 a.m. you can join in the dedication of the new Rhododendron Garden, a gift from the Class of '61. Then, 11:45 a.m. brings the dedication of the main entrance sign at Nicolls Road, a gift from the Class of '86. Campus tours will also be conducted from noon to 6 p.m.

Of course there will be a round of informal events. The music and theatre arts departments will be performing various activities. The local community will also help us celebrate not only 30 years as a university but also 30 years as part of the Stony Brook community. Some of the community efforts will be Kids for Kids, a local children's theatre group that will act out a scene from *Fiddler on the Roof*. The North Shore Suzuki group, an organization based in Stony Brook, will show 2- and 3-year-olds how to play string instruments. The Seiskaya Ballet School for Children will also perform. And participants from the Three Village School District will be lending a hand to keep everything running smoothly. This will truly be a family event!

The festive feeling will be everywhere with fanfare and jugglers, mimes, and face-painting for the kids. Student ethnic and cultural groups will have displays and other fare in the Academic Mall. There will also be a craft fair in the Academic Mall. Throughout the celebration, WUSB will be broadcasting live and dozens of other campus organizations are gearing up now for what promises to be a colorful and exciting sampling of life at Stony Brook. An outdoor-band concert in the Fine Arts Plaza beginning at 4 p.m. will help conclude the festivities.

We hope you and your family will be able to return to your alma mater for what promises to be a gala event. If you fill out and return the registration form on the inside back cover we'll send you a complete listing of events once the schedule is finalized. If you need information on hotel accommodations, please call the Alumni Office at (516) 632-6330. See you May 1!
