ACS :

This is the webpage we've developed to promote the Flame Challenge and drive visitors to your site:

http://portal.acs.org/portal/PublicWebSite/volunteer/chemambassadors/futurechemists/CNBP_029558

Hi Elizabeth,

This is the webpage we've developed to promote the Flame Challenge and drive visitors to your site:

http://portal.acs.org/portal/PublicWebSite/volunteer/chemambassadors/futurechemists/CNBP_029558

We'll be promoting the contest on several pages on acs.org; and I am in the process of trying to schedule a promo on our [homepage](#).

. joy .

Joy Jarvis
