PREFACE

The present volume consists of 121 Old-Babylonian and four later letters, probably Kassite (Nos. 59, 60, 94 and 102). Strictly speaking, No. 118 is not a letter but an Old-Babylonian memorandum; it has been included for convenience.

All these tablets were purchased and therefore (with the exception of Nos. 2 and 120 which are known to have come from Abū Ḥabba) their provenance can only be ascertained from internal evidence.

The selection, copying and arrangement of the texts is the work of Dr. H. H. Figulla.

R. D. Barnett,
Keeper.

Department of Western Asiatic Antiquities.

March 1963.
